Subject: Change of Contact Information for Chevron Environmental Management Company and Science Applications International Corporation

**Site: Former Chevron Service Station No. 9-9384
24081 El Toro Road, Laguna Hills, California
OCHCA Case No. 85UT106**

Dear Mr. Strozier:

On behalf of Chevron Environmental Management Company (CEMC), Science Applications International Corporation (SAIC) would like to inform the Orange County Health Care Agency (OCHCA) that starting January 1, 2005, CEMC has transferred Chevron Service Station No. 9-9384 (OCHCA Case # 85UT106) from the previous Project Managers Lisa Thompson of CEMC and Mike Pendergrass of SAIC, to the new Project Managers, Mike Bauer of CEMC and Daryl Pessler of SAIC. The new contacts for this site are managing an internal program for CEMC called the Closure Focus Group (CFG) consisting of sites having a strong potential for closure. Future efforts and activities for this site will be conducted as part of the CFG with the intent to expedite the site to closure.

If you have any questions, please contact the SAIC CFG Project Manager, Mr. Daryl Pessler, at (714) 257-6404, or CEMC CFG Project Manager, Mr. Mike Bauer, at (714) 671-3207.

Yours very truly,

SCIENCE APPLICATIONS INTERNATIONAL CORPORATION

Daryl Pessler
Project Manager
